

2nd Conference of the OIC Transport Ministers 12 February 2026 - Istanbul, Republic of Türkiye

p

The Islamic Centre for Development of Trade (ICDT) participated in the second conference of the OIC Transport Ministers in Istanbul, Türkiye on February 12, 2026. More than 40 OIC Ministers and Heads of high-level Delegations and Organs attend this Conference.

This event aimed at strengthening logistics networks and advancing regional integration through the construction of safe and sustainable transport corridors connecting Member States. Ministers and Heads of Delegations shared their transports policies and projects.

They emphasized the importance of establishing an OIC Centre for Road Transport in Istanbul proposed by the Republic of Türkiye. The Third Conference will be held in 2028.
